Concert Programme

March 2021

Welcome

On behalf of the Ye Cronies Committee, our Concert Director and all the artistes involved - welcome to our second virtual concert of the 2020/21 season!

After the incredible success of our Festive concert, which thanks to your generosity raised over £4,000 for our children's charities, we were very keen to arrange for a sequel and tonight we present our Gala Concert.

This concert has been arranged both to celebrate the end of another Ye Cronies Season, albeit a highly unorthodox and 'virtual' one, as well as to show our support for the local performing arts sector.

Once again, I cannot thank our Concert Director Jamie MacDougall enough for the time and effort he has put into this production. As you will see on the next page, he has engaged a wide range of performers for our entertainment, meeting the standards we would expect of a Gala Night!

As you may be aware, our beloved artistes have been hit incredibly hard by this pandemic. Hosting this concert not only provides an opportunity for artistes to entertain, it also helps support them financially.

While this concert is being broadcast free of charge to all our members, we humbly ask that you consider making a small donation towards the production costs, with the promise that any profits made will go directly towards further supporting Scotland's local performing arts industry.

I sincerely hope we get the chance to reconvene together at the Marriott in the not too distant future, but until then lets "ring up the curtain" and enjoy the show!
